**How We Will Calculate Your Balance:** We use a method called the “average daily balance (including new purchases)”.

**How We Determine APRs:** The Purchase and Cash Advance APRs are determined by adding a Margin to the Prime Rate. The Prime Rate is the highest Prime Rate published in The Wall Street Journal Money Rates table on the fifteenth (15th) day of each month, or the next business day, if the 15th falls on a weekend or holiday. The APR for Purchases and Cash Advances will not exceed 32.00%.

**Cardholder Agreement:** For additional information about the costs and terms of the Account, see your Cardholder Agreement, which will be sent with the Card. The Cardholder Agreement and the Account will be governed by Missouri and applicable federal law, but we will rely on the provisions of Nebraska law with respect to the fees and charges (other than interest) that apply to your Account, as authorized by Missouri Revised Statutes Section 408.145. The Cardholder Agreement permits us to change the terms of this Account, including the rates, fees and other credit terms, upon notice to cardholder and subject to the provisions of applicable law.

**Notice to Young Applicants:** If you are under 21 years of age, Federal law prohibits us from approving your application for a credit card unless you demonstrate that you have the independent ability to make the required payments on your account, or unless you provide a guarantor or cosigner. The guarantor or cosigner must be acceptable to us and must sign our form of guaranty agreement.
